Foods Revue 2019

We are inviting ALL youth to participate in the 2019 Foods Revue on **Monday, June 3**. The theme for this year is: **Raspberry Rumble**. What this means is that ALL exhibits will include Raspberry in their recipe.

RETURNING!!! Members may enter an additional category on food photography. This may be entered on its own or in connection with an entry in the contest. We also will be welcoming Festival Foods to the contest. They will have 10 fruits and vegetables, and 10 nuts and berries which you will be able to identify. This will serve as an introduction and practice contest for anyone interested in competing in the state plant identification contest. You do not have to enter the foods review to participate in this part of the program although pre-registration is appreciated to have ample supplies.

NEW THIS YEAR!!! Members will also be able to compete in a centerpiece category. The centerpiece will need to use either dried or silk material. This can be from the food portion of the contest or a separate entry. Entries may then also be entered at the state competition in connection with the plant identification contest.

You will make a food item from a category listed on page 8 using the Raspberry theme. You will set one place setting, to include a recipe card for the item made, placemat or tablecloth, and centerpiece.

New Family Corner

We're approaching county fair season and everyone gets pretty excited! Soon it will be time to sign up for fair entries. To be an achieving member, every 4-H youth is expected to take something to the fair to demonstrate what they did or learned in each of their 4-H projects. Ask your general leader or contact the fair office (929-3168) if you have questions about your fair entry. Deadlines are strictly followed, so please plan ahead.

You will also be hearing a lot about working in food stands and helping with the silent auction. The money earned from those fundraisers supports the overall 4-H program. Money from these activities goes toward camps, contests, trips, awards, and much more. Every 4-Her benefits from these funds and all clubs are expected to help. It's also a great way to meet other 4-H members & leaders!

The online entry portal will open Monday, May 14th. All of the projects that can be entered are preformatted in the system in an easy to use point and click format. Payments can be made online, however, due to increased processing fees, a \$2.00 processing fee will be charged at the time entries are submitted. Payment can also be made when entry tags are picked up at the Fair Office by credit card, check or cash. No processing fee will be charged if paying at the office. The system will send a confirmation email once the entries have been accepted. If you do not receive a confirmation email, your entry did not go through!! If you are uncomfortable using the internet or do not have internet access, you may enter in person at the Fair Office beginning June 3rd.

Important deadlines for your fair entry forms include:

Saturday, June 15th - Entries must be submitted online by 11:59 pm. If you need help at the fair office on June 15th, the office will only be open until noon. Monday June 24th to Saturday June 28th - pick-up fair entry tags at the County Fair Office. Wednesday, July 3rd- deadline to submit entry tag corrections to the County Fair Office by 4:30pm. The Fair Office will be closed Wednesday, July 4th - 6th. If you have any questions, please contact Bridget Schaumberg at 920.960.1629 prior to June and the Fair Office at 920.929.3168 after June or office@fonddulacountyfair.com anytime. Please do not contact the Extension Office with fair-related questions. Lastly, if you have any special needs, please notify the Fair Office.

Online Fair Entry Tips

- Enter through the Fond du Lac County Fair website at www.fonddulacountyfair.com, not through 4Honline.
- When you enter on-line, you are merely entering an item for exhibit. You will also need to view the online fair premium list as this gives schedules and rules.
- Many departments include a class that says 'item made in school' or 'any other item'. When you are entering these types of classes, double check that you are in the correct department. For instance, if you intend to enter an art exhibit, make sure you are under art - any other item and not under woodworking - any other item.
- Look through the premium book and write down on paper all the department names and numbers, divisions, class names, and numbers that you want to enter. Use this as a reference when doing the actual online entries.
- When making entries online, do it with another person to check accuracy of information.
- You will get an email confirmation of your entries. If you do not get the confirmation, your entry was not submitted. When you get the confirmation, check it for accuracy. If corrections need to be made, contact the fair office. Ask another person to review the confirmation. Fresh eyes may catch an incorrect entry.

Online Entry Example - This example is adapted from the leaders of Sunshine 4-H.

Start at www.fonddulacountyfair.com/

> Exhibitors

> Online Entry

> enter name on login screen

> enter personal info Blanks with red stars must be filled in
> Department - use the dropdown menu to select your project area (e.g. those in shooting sports will select Junior Natural Science. Review the Fair Book prior to making entries.)

> Division – Note: not all departments have a division

> Class - use the dropdown menu to select a class

> Club - enter your club on each entry.

> Add entry to cart

--if you have more projects in this dept., enter > add similar entry

--if you have more projects in different dept., > add different entry

--if you are done > continue

Then continue with payment information. Each exhibitor must pay at least a \$5 entry fee. Those exhibiting animals may have additional fees.

Seeking Fairest of the Fair Contestants

The 2019 Fond du Lac County Fair is looking for qualified Fairest of the Fair contestants. The Fairest of the Fair will be the ambassador for the fair. He or she will be asked to attend various events to promote the fair and its many functions and events. The Fairest is expected to attend all five days of the fair and be on hand for impromptu appearances as needed. Additionally, the Fairest will compete for the State Fairest of the Fair crown at the Wisconsin Association of Fairs State Convention held in January of 2020. Contestants must be 18 or over as of January 1 of the current year. He or she must have been a resident of Fond du Lac County for at least one year or be an active member of a Fond du Lac County youth organization involved in exhibiting at the Fond du Lac County Fair. The Fairest of the Fair will be crowned on Saturday, June 1st prior to the Fond du lac County Fair. Contestants will be judged wearing business professional attire. Judging on the county level will be based on the following qualifications: personality, poise, appearance, community involvement, speaking ability, and a 30-second public service announcement. To apply, contestants need to fill out an entry form which is available at www.fonddulacountyfair.com/p/getinvolved/fairest-of-the-fair on the bottom of the page or by contacting Tiffany Venne at 920.979.0508. Stall Fees for Horseless Horse

Combining Clubs for Herdsmanship

Clubs, that have only one or two members exhibiting under an animal project, may join together and display their animals under one decoration and share barn duties. This combined display will be judged as one exhibit for herdsmanship, and thus only one placing/ prize would be awarded. Project/ fair superintendents need to be informed of this combination of clubs before the fair, so that the stall/pen assignments can be located together.

Cloverbud Corner

Cloverbud Pumpkin Growing Contest

Each year John and Sue Hounsell of Hounsell's Greenhouse and the 4-H Leader Association co-sponsor a pumpkin contest for Cloverbuds. It will be on a Saturday in October. Pumpkins are evaluated on being the largest, roundest, smallest and other categories. Club leaders will receive seeds to distribute to all the Cloverbud members in their clubs. Along with the seeds, the cloverbuds will receive tips on how to grow the pumpkins. The pumpkin seeds are now available to be picked up at the Extension Office.

If you don't have room to grow pumpkins, the seeds can be planted in the community gardens located on the corner of Grove Street and Pioneer Rd in FdL. If you'd like to reserve a spot, please call the Extension Office.

Club News

Busy Bees

By: Secretary Jessica F. & Harley L.

Our club donated \$50, so items could be purchased for the Small Animal Fun Show raffle. Another donation of \$100 was made for Alyia V. toward her Japan trip. The fair board wanted each club to donate for some education signs at the fair, so we decided to donate \$200 for our own sign at the fair. Amelia T. and Adelaide T. talked about a string decoration that they made on their spare time for project share.

Brandon Tanagers

By: Leah W.

The Brandon Tanagers 4-H club had a really fun April meeting. They got to learn about Koda (a 3½ year old German Shepherd) and Officer Justin Weisbecker from the FDL County Sheriff's K-9 unit. He talked about how Koda reacts to narcotics. The 4-H members learned that Koda is a gentle dog but can be a scary looking dog when commanded (and he gave a neat demonstration of this!). Officer Weisbecker also said that Koda's favorite thing is his Kong toy. Koda specializes in finding drugs and lost people. During the meeting, the club donated funds to the FDL County K-9 unit.

Maggie reported on Super Craft Saturday. We will be making birthday bags at our next meeting in May. Mrs. Fox will buy some mulch for our club flowerbed. Wear your gardening clothes to our next meeting. We will be weeding/mulching/planting after our May meeting. There is one T-shirt left in case anyone wants to buy it.

We are planning to do a weekly clean-up of the Police Memorial Garden starting in May. For the Salute the Troops race at Lakeside Park on Memorial Day, we will also be working at a water table, and finally, even though it was raining, our Club had a fun Easter egg hunt in the church.

The club had a Jr. and Sr. Team at the basketball tournament. A hockey game was enjoyed by club members in March. The club is going to Eden Elementary for open gym and a potluck in May. The club decided that there will be no club rummage sale, but we are giving baked goods to the Stommel's Bake Sale during the Eden Village Rummage Sale weekend to raise money for the club, and we will raise money for the Gazebo Fund through a brat fry. The club will be manning a water station at the Salute the Troops run in May. Roadside cleanup is scheduled for May near Eden, with a campfire to follow. Pictured are the club bowlers at Ledgeview Lanes and club members with Gene W. from Toms & Tails receiving donated funds from the club.
