COLUMBIA COUNTY, WISCONSIN

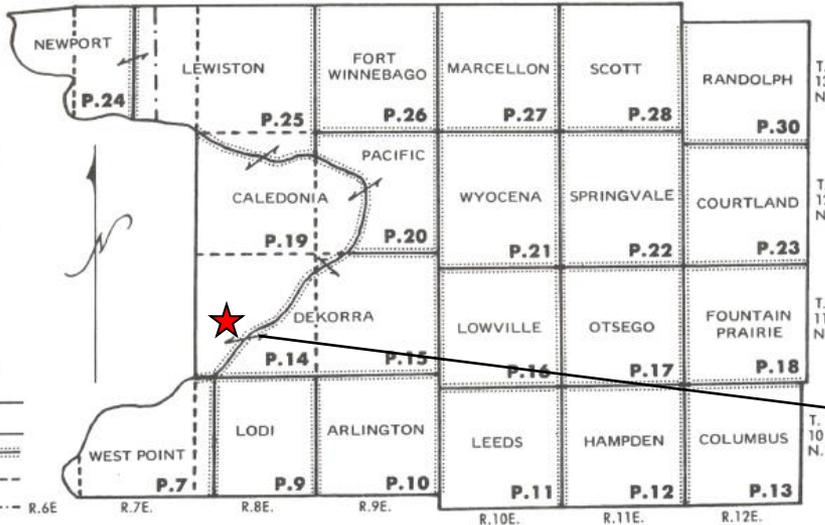

INDEX MAP

The index map shows the various towns in the county as they are located geographically. The numbers on each town indicate the page number where that particular map will appear in detail.

RESPECT LANDOWNER RIGHTS
Some lands within DNR property boundaries are in private ownership. These private lands may or may not be leased by DNR for public hunting. Look for posted signs which identify lands open or closed to hunting and contact the landowner when indicated. Please do not trespass.

*NOTE: For Further Information Contact The Local Department of Natural Resources.

SEE PAGE 19

1. Once you locate the map have the person point out the location of their well on the map.
2. Now you will be able to determine the legal description.
3. The town and range can be found in the upper right corner of the page. Both consist of a number and a letter.
4. For this property the town identifier is 11N while the range identifier is 8E.
