

## UW-Extension Fond du Lac County 4-H Educational Travel Experience and Awards Resource Packet

In order to be eligible for awards and/or to **receive funding for educational travel experiences** through the Fond du Lac County Adult Leaders Association, you must turn in a complete application packet to the UW-Extension Office (Room 227 Admin/Extension Building, 400 University Drive, Fond du Lac, WI 54935) by September 15<sup>th</sup> and interview on Tuesday, September 25<sup>th</sup> or Saturday, September 29<sup>th</sup>.

You will find the application on our website at <https://fonddulac.uwex.edu/4h/travel-experiences-a/>.

**Note:** Applying for funding does not guarantee you a spot on the educational travel experience.

Also, any 4-H member can register for an educational travel experience, regardless if they've received partial funding or not.

On pages 2-3, you will find brief descriptions of each experience, the dates of the experience, the approximate cost of the experience, and the age requirements.

On page 4, you will find the life skill wheel. As you complete your application and prepare for your interview, consider the life skills that you have increased over your 4-H journey. Referencing life skills is a great way to explain how 4-H has benefited you and how you have grown as a person.

On page 5, we have included a list of "power verbs." Power verbs imply a strong message and are a great way to show the skills you have mastered, tasks you have completed, and leadership roles you have taken on. This list of power verbs is just the beginning.

For your interview, remember to ...

- Dress appropriately
- Smile
- Relax
- Explain how you have grown through 4-H (reference the life skills)
- Talk clearly and slowly
- Make it clear how 4-H has made a difference in your life

Please remember that you are applying for an award or partial funding for an educational experience. This does not guarantee you a spot on the experience. Also, any 4-H member can register for an educational experience (regardless if they turn in an application or interview).

Requests for reasonable accommodations for disabilities or limitations should be made prior to the date of the program or activity for which it is needed.
