

BEEF QUALITY ASSURANCE IN-PERSON CERTIFICATION

WHY BECOME BQA CERTIFIED?

Beef Quality Assurance is a national program that raises consumer confidence by offering training in proper management techniques and by a commitment to quality within every segment of the beef industry.

Effective January 1, 2019, several large packers and processors will only purchase from BQA or Dairy FARM certified farms. Buyers and stockyards will be confirming compliance at the point of sale.

For more information, please contact Steph Plaster, UWEX Agriculture Educator, at 262-335-4477 or stephanie.plaster@uwex.edu

Certification also available online at bqa.org
