Dear County Farmers and Crop Advisors,

November 6, 2018

Registration is now available for the annual SnapPlus Training Classes which are being held on December 13th and 14th at UWFDL, Room AE 205/206.

SnapPlus is a computer program designed to help build and maintain your nutrient management plan. The most recent version of the software is free and can be downloaded prior to the training at www.snapplus.wisc.edu or you may download it onto your own laptop at the training. We encourage participants to bring their own laptop, but there will be laptops available for use during the training. The classes are separated into two days for your convenience:

INTRO TO SNAPPLUS

Day one will be an introductory training for those new to SNAP+

December 13, 2018

10:00 a.m. – 3:00 p.m.

(one-hour break for lunch on your own)

ADVANCED SNAPPLUS

Day two of training is for those who have used the software before and would like to learn a little more about what it can do. Come to hear Certified Crop Advisor Dennis Klumpers as well as local producers Pete Badtke and Lawrence Ford speak on team coaching.

December 14, 2018

10:00 a.m. – 1:00 p.m.

If you have any questions, please contact: Becky Wagner Agronomist, Fond du Lac County LWCD
