

Savvy Caregiver Training Program

professional-level training for the non-professional

Based on research by experts, this new six week course from the Alzheimer's Association will provide clinical-level training for family caregivers.

Many caregivers have told us they would like to go beyond the introductory education offerings. This is that opportunity.

Graduate from this program with improved:

- Knowledge, skills and outlook.
- Skills to assess the abilities of your family member with dementia and adjust your approach over time.
- Confidence to set and achieve caregiving goals.
- Strategies to manage activities of daily living.
