The Fond du Lac County Junior Master Gardener (JMG) Program receives support from the following:

- Extension Fond du Lac County
- Fond du Lac Area Foundation
- Fond du Lac Area United Way
- Fond du Lac County Master Gardener Program

FoodWise is funded by the USDA Supplemental Nutrition Assistance Program - SNAP. SNAP/FoodShare helps families buy the food they need for good health. Visit access.wi.gov to learn how to apply for food assistance or call 1-888-446-1239 (Fond du Lac) or 1-888-794-5556 (Sheboygan).

An EEO/AA employer, University of Wisconsin Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements.

What is JMG?

The Junior Master Gardener (JMG) Program is a “hands on” youth gardening/cooking program.

JMG is about GARDENING – with guidance from the Master Gardeners, youth are involved in the entire gardening process, from selecting and planting seeds to harvesting.

JMG is about COOKING – with the assistance of Nutrition Educators, youth will prepare and cook healthy foods from the garden.

JMG is about HEALTHY FOOD - how it makes it from the ground to the dinner table.

JMG is about TEAMWORK and FRIENDSHIP – how to work together as a team in the garden and in the kitchen.

JMG is about COMMUNITY SERVICE – how to give back to the community through donations of food and flowers to area food pantries and senior centers.

JMG is about FUN – how to make learning fun! Additional activities include: a field trip, guest speakers, a parent night, a scavenger hunt, science experiments and studying insects, soil and “lasagna gardening.”

Who can join JMG?

Youth ages 8-12 years old.

Youth that have interest in active outdoor activities, “digging” in the dirt, caring for plants, cooking in the kitchen, eating healthy snacks, and meeting new friends.

Parents, grandparents, & younger siblings (if supervised by an adult) are welcome at all sessions.

What else do I need to know?

JMG is a 12 week program with a schedule to accommodate the end & beginning of the school year.

All events are held at Extension Fond du Lac County (except special events, like field trips.)

Who works with JMG?

The JMG Program is offered by the University of Wisconsin-Madison Division of Extension. It is a collaboration between the Fond du Lac County Master Gardeners and the FoodWise Program.

To contact a staff member, reach out to:

Amanda Miller, FoodWise Coordinator/Health & Well-Being Educator - amanda.m.miller@wisc.edu

Sherry Auchue, Administrative Secretary - sherry.auchue@wisc.edu
