

Steps for Completing Fair Entries

1. Go to www.fonddulaccountyfair.com
2. Click on “Exhibitors” tab and follow link to enter under June 17th
3. Follow process at top, starting with #1 – register
4. For #2 – entries, find the projects in which you are enrolled:
 - a. When you find the category that best suits your project, click on “add 1 entry to cart” (*it may be helpful to add a description of project/item)
 - b. If you have multiple entries for the same project, click on “add similar entry”
 - c. Repeat this process until all entries are complete (if not sure of what class your project might best fit, enter it in both areas to be sure)
5. Review your entries (remove any double/same entries)
6. When you are done entering, click on confirm or complete entries box. You will need to type in “yes” and click on “Submit”
7. After submitting successfully, you will get a confirmation ID # on the screen as well as emailed to you. If you do not see this, your entries are not complete!
8. Click on Finish and you should get a message telling you that your items were submitted. You are allowed to make changes to your entries before June 17th by going back in to make additions or corrections.
9. TIP: families may enter by using the Quick Group option as well.
