WHAT IS 4-H?

The four H's are

HEAD HEART HANDS HEALTH

That means we are committed to providing opportunities for youth to learn life skills like decision-making, problem solving, caring for others, generosity, making healthy choices, and much more.

WHAT IS JMG?

Get ready to dig in, explore, and create! Kids will plant, grow, and care for their own garden with help from Master Gardeners. They'll taste fresh snacks they make themselves and discover all the other cool ways plants can be used—like crafts, teas, natural dyes, and more.

Along the way, youth build teamwork skills, make new friends, and give back by sharing produce and flowers with the community.

Plus, every session brings something fun—science experiments, scavenger hunts, guest speakers, garden adventures, and hands-on projects that make learning exciting.

GROW

WHO CAN JOIN?
